Dry is a book about the water running out in California. The story follows Alyssa and her brother Garrett after the water runs out and their parents go missing. As they travel around, they meet new people they try and work with to survive.

This was a really good book that I would recommend people read. It is well written, and shows a lot of insight into the true nature of the main characters and society in general. Readers who enjoy dystopian and action/adventure books would enjoy reading Dry.

By Malachi R, 10th grade, enjoys reading mystery, fantasy, sci fi, horror, and adventure
