

Medford Rock

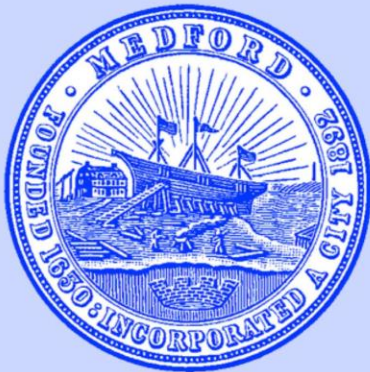

Painting!

How to Participate:

1. Find a rock outside. Then use paints to colorfully decorate the rock.
2. Next, while no one is looking, hide your rock in a somewhat tricky-to-spot place.
3. Post a picture of the rock(s) you have hidden to either the Medford CCSR Facebook page (@TheCCSR), #medfordrocks on Instagram (@medfordccsr) or Twitter (@MedfordCCSR).
4. When you're out walking, be sure to keep an eye out for rocks others have hidden. When you find one, post a picture of that rock.
5. Finally, you can keep the rock for a few weeks before re-hiding it. If you find a rock that you really like, it's okay to keep it.

This project is funded by the Krystle Campbell Community Betterment Project and Cummings Foundation.
