We Were Liars focuses on Candace, almost 18, who come from a wealthy family. Every summer they go to their own island. One summer when she was 15 there was an accident she suffered memory loss meaning she has no memory of what happened. When she goes back to the island something is off her whole family is didn't.

If you like phycological thrillers this book would be perfect for you. It is extremely well written and interesting with plot twists. Teens and young adults would thoroughly enjoy this book.
