

**Henna Permission Slip**  
**April 21, 2022, 1-3pm, for teens in Grades 6-12.**

I, \_\_\_\_\_(caregiver's name), the parent/caregiver of \_\_\_\_\_ (teen's name) give my permission for them to take part in the Henna workshop offered by the Medford Public Library on April 21, 2022. I understand that henna is a natural plant/vegetable dye and can last anywhere from one (1) to three (3) weeks.

Participants must **sign up** before the start of the program (visit the online calendar at [medfordlibrary.org](http://medfordlibrary.org)), but this slip can be turned in before or at the start of the program. The program will be in the Teen Section of the Medford Public Library. Participants do not have to be present for the entire two hours, but please note that henna will be applied in order of arrival to the event.
