The House on Mango street is about a girl named Esperanza, a Mexican-American girl. Esperanza moved into a house on Mango Street with her family. She did not enjoy living in the house with her family because it was too crowded. She realized the community she was living in was not as good as it seemed. The women in her neighborhood are treated unfairly by their fathers or husbands.

I liked this book. It showed what it's like to be a woman in today's society. This book shows that women have different expectations in this world than men. This book was interesting and I recommend reading it.
