The Maze Runner follows the story of a teenage boy named Thomas, who wakes up in a mysterious place called the Glade with no memory of his past. As he and his new friends explore the maze, they uncover dark secrets about their past and the true purpose of the glade.

In my opinion, I think the maze runner is a fascinating book about the journeys of Thomas and his friends as they attempt to escape. I think that although this book is a action/adventure book, it would appeal to all readers who enjoy fiction books. I think this because in this book there are aspects of mystery, sci-fi, horror, romance, and other fiction categories.

I think that people should definitely read this book because it teaches the lesson of never giving up until you succeed. Also it is a very entertaining book. So much so that even those who do not enjoy reading will still find it difficult to put the book down. I think that this book is definitely one of the best I have ever read and should be read by everyone.
