The Maze Runner by James Dashner is about a boy named Thomas has to escape his new community through a giant maze. Thomas enters the glade, which is where everyone lives, with no memory. Thomas befriends other kids who are also stuck in the glade. Thomas learns about the giant maze and what lurks inside. Thomas and the community are trying harder than ever to escape the maze and learn more about who they are and why there are here.

In my opinion The Maze Runner is a fantastic book that kept me hooked the whole entire time. The Maze Runner does a great job keeping a mysterious tone throughout the whole novel. It had me guessing and on edge the whole way through. The book also has great and likeably characters that make you root for them to escape the maze.

I think you should read The Maze Runner because it is has a great length and reading level that makes the book not feel too long. Also The Maze Runner has a lot of action, mystery, and suspense with great characters that keeps you entertained the entire novel. That is why I recommend The Maze Runner
