As Good as Dead is the third book in the A Good Girl's Guide To Murder series. After witnessing what happened at the end of her last case, Pip is left disturbed and unstable. She is no longer in full control of her thoughts. It doesn't help that Pip almost daily is getting online threats. When these threats become more personally connected to her, Pip starts investigating her stalker.

As Good As Dead is my favorite book in the A Good Girl's Guide To Murder series. I liked it so much because of how suspenseful and descriptive it was. I would recommend this book to someone who likes mystery books and escape rooms. I would recommend it because it was so captivating and intriguing. Throughout the entire book I was drawn to the plot and its romantic aspect. I was rooting for Ravi and Pip's relationship the whole book. This book left me speechless and begging for more. Even though the end made me cry I overall really just loved this book.

By Lily T, 7th grade, enjoys reading romance, mystery, fantasy, and action/adventure
