Like a Love Story is about an Iranian boy named Reza who has to come to terms with his gay crush on his friend during the AIDS crisis in NYC. As Judy and Reza build an almost romantic relationship together, Reza has to simultaneously come to terms with his crush on Art, Judy's best friend.

This book is so good. Read it only if you consider yourself mature as it does have a single sex scene, talk of protective/proper gay sex, and deals with complicated topics like period typical homophobia and death. Don't read if you are uncomfortable with that or if you could get in trouble for reading it. Has absolutely crushing moments that caused me to have to put the book down and rant to my friends about it. 7/10.
