In this novel, five kids end up in detention, but only four walk out alive. The rest of the story delves into the lives of the remaining four students, each with their own secrets and reasons, as they become suspects in the murder investigation.

I think people should read this book, especially if they're into suspenseful stories with lots of twists. It's super addictive—you won't want to put it down once you start. If you like books that keep you guessing and have characters you can relate to, "One of Us Is Lying" is definitely for you. Plus, it's not too complicated, so even if you're not a big reader, you'll probably still enjoy it. Overall, it's a thrilling ride that'll have you on the edge of your seat until the very end.
