Everything is going fine with the greasers in Tulsa, OK. They are having a good time hanging out with each other. Except, when the Socs come into town, that fun will turn into hurt.

The Outsiders is such a suspenseful book. After every chapter, you just want to read one more. There are so many good characters and everyone has their favorite (My favorite is Ponyboy). You can relate to almost every character in the book. You have to put "The Outsiders" on your must-read list.
