I Am Malala is about Malala Yousafzai. When the Taliban came, they did not want girls to go to school. Malala Yousafzai advocated against this. Malala also writes about how it was like.

Personally, I enjoyed reading I Am Malala. I dislike reading non-fiction usually, but I liked this book because it is written in chronological order and is written like a story. I also found the plot interesting and learned a lot about Malala Yousafzai and what she did.

I recommend this book to those who do not like school, because they should know that some cannot go to school and that going to school is a good thing. Those that like to read non-fiction and autobiographies would also like this book because of the genre of I Am Malala.
