Other:

Okay for Now takes place from the perspective of Doug Swieteck, a high school student facing many challenges as he tries to adjust with his new life in Maryland. This book is set in the late 1960s during the Vietnam War and is a sequel to The Wednesday Wars.

This book was one interesting book. It dug deep into Doug's life as he moves to Maryland leaving his friends behind. The relationships between the characters left me interested in more about them. Overall if you liked how The Wednesday wars was written I would recommend reading Okay For Now.

By Brandon D, 8th grade, enjoys reading mystery, science fiction, historical fiction, romance, and action/adventure
