There are two gangs called the Greasers and Socs. The Socs are more wealthy than the Greasers. They have rumble with each other occasionally. The main character, Ponyboy, is a smart kid that gets into a lot of trouble with his friend Johnny. He has 2 brothers, Darry and Soda.

This book was an interesting book. Ponyboy gets into rumble with Socs over random things. There are events that really hit you in the feels, and I loved every second of it. If you like action books and shocking plot points, I would recommend The Outsiders. Remember, after reading this book, you're a greaser now, and there ain't no going back.
