Other:

Hunger's Bite follows a young hero named Elen who lives in a world where strange creatures called the Hunger stalk the night. Elen joins a secret group of fighters to protect their city and learns more about the Hunger—and about themselves. The story is full of magic, danger, and tough choices.

I liked how the book mixed scary parts with exciting action. The Hunger were creepy and made the story feel intense. Elen was a strong main character who had to make hard decisions, and that made the story feel real. I also liked how the book showed teamwork and friendship. The pictures in the graphic novel were colorful and helped tell the story in a cool way. It made me want to keep reading to see what would happen next.

If you liked this book, you might enjoy *The Witch Boy* by Molly Knox Ostertag. It also has magic, mystery, and a main character who doesn't fit in but finds their own path. Both books are great for readers who like fantasy stories with brave characters and a little bit of spooky adventure.

By Scarp C, 8th grade, enjoys reading mystery, fantasy, science fiction, historical fiction, and action/adventure
