JoJo's Bizarre Adventure, released in English, is my favorite manga series, and the first volume of this part (part 2) immediately grabbed my attention. The story follows Joseph Joestar, a clever and audacious protagonist, as he confronts ancient supernatural enemies known as the Pillar Men. What sets this series apart is not only its crazy and unpredictable battles but also the unique way it blends humor, suspense, and over-the-top action. From the very first chapter, the tension is scary, and Joseph's jokes and charisma make every encounter thrilling to read. The art style is bold and dynamic, perfectly capturing the crazy personalities and intense fight scenes that define this part of the saga.

Finally, the first English release of Battle Tendency is a must-read for anyone interested in manga that is bold, imaginative, and full of personality. Its combination of humor, clever action, and compelling characters makes it stand out as one of the most enjoyable and memorable series I've ever experienced. If you enjoy stories that are as unpredictable as they are thrilling. Overall, I think this is an 8/10 book because I think the later parts are better, but this book is really cool with the pillar men.
