The book Sabriel by Garth Nix is a very good book. The story centers around a girl named Sabriel who attends a boarding school called Waverly College, located in Ancelstierre.. In her realm, sometimes the Dead refuse to stay dead, and Sabriel's father, Abhorsen, must put them back to rest. But one day, he goes missing. It is up to Sabriel to journey into the Old Kingdom to find his body and return him to the living. Along the way, she makes some strange friends that help her along her journey.

This book was a very good read. I enjoyed it immensely. There was a lot of suspense, which some people may not like, but the ending was superb. The beginning was kinda slow, but it picked up towards the end. The characters were likable and the scene and story were really well thought out. Overall, this book was a fun read. I will be sure to read the other two books (it's a trilogy!).
