Other: Graphic Novel

"Teen Titans: Beast Boy" is a good graphic novel that tells the story of Garfield Logan, a boy in the final year of high school who considers himself invisible because his small stature and underweight compared to other teenagers. However, the protagonist begins to experience changes in his physical appearance, gaining strength, height, and strange abilities. He wants to discover the nature of his transformations before they become public knowledge in the school community.

This book is entertaining and very engaging for readers. the illustrations are great and very realistic. Watching Garfield try to adapt to the crowd of trendy people while finding real friends is a good part of the plot that makes the reading even more fun. Some pages will make you laugh and some will make you sad. The novel is a good read for everyone, especially fans of superhero comics. This graphic novel is recommended for anyone interested in superhero origin stories, high school stories, or comic books in general. Everyone can find something interesting in this story.
