Unhallowed Halls by Lili Wilkinson follows the perspective of Page Whittaker, an introverted teenage girl, who gets scholarship to Agathion College, an elite boarding school deep within the Scottish moors. As she tries to find her place, she starts to uncover the mysteries, dark secrets, and magic her friends and Agathion are hiding.

This book really surprised me. It started off reading like a historical fiction novel and I wasn't super engaged, but I pushed through the first like 100 pages 😞 and the magic and romance started to pick up. Once the plot and intrigue picked up, I genuinely enjoyed this book.

Those who I would recommend this book to? Anyone who enjoys gothic fantasy and a mystery to go along with it. I wouldn't recommend it to anyone new to the genre, because it might be a bit hard to get into. In all, I'd say it's a pretty solid read.
