Historical fiction

Other:

Avery Grambs was a girl who was chosen by a multibillionaire Tobias Hawthorne to be her successor. She and the grandsons of Tobias work together to uncover a chain of mysteries set by Tobias Hawthorne. Tobias's abandoned son, Toby, was kidnapped and trapped by named Vincent Blake. Avery and the boys try their best to save Toby.

I think this book is pretty good. Compared to the other two books in the series, it is probably my second favorite. I think people who enjoy mystery books would enjoy this, because it is a thriller. It is very exciting and I just couldn't put down the book once I picked it up.
