Nonfiction

Historical fiction

Other:

If He Had Been with Me follows Autumn and Finny, two childhood friends who grow apart as they get older and begin living different lives. As Autumn goes through high school, she deals with friendships, relationships, and personal struggles while wondering how different her life could have been.

I enjoyed this book because the characters felt realistic and the story was emotional and engaging. I would recommend it to readers who like romance and coming-of-age stories because it explores love, friendship, and growing up in a memorable way.
