Other:

It's Not Summer Without You by Jenny Han is an emotional and engaging novel that follows Belly as she struggles with loss, friendship, and love. The story is filled with realistic feelings and challenges that make the characters easy to relate to. Jenny Han does a great job showing how difficult growing up can be when relationships begin to change.

I enjoyed this book because it kept me interested and made me care about what happened to the characters. The emotions felt genuine, and the story had both sad and hopeful moments. Overall, It's Not Summer Without You is a heartfelt sequel that explores love, family, and finding strength during difficult times.
