Aisle Nine is a dystopian book that follows a teen named Jasper. He works as a clerk for a discount mart. However, a portal to hell has opened on aisle nine that spontaneously unleashes demons. In a world where multiple of these portals have opened up Jasper teams up with his crush, Kyle and some friends to prevent a world ending disaster.

I enjoyed reading this book. It is a fairly easy read, and didn't take too long. The plot was thought out and the book overall was entertaining and comedic. There was a significant amount of character development.

This is a great book for people who enjoy apocalyptic and dystopian novels. If you are looking for a fun, entertaining, easier read this book is great.
