One-Punch Man, by ONE and illustrated by Yusuke Murata, shows us the life of Saitama who becomes a hero so strong he can defeat any enemy with a single punch. The story takes place in a world full of monsters, heroes, and chaotic battles, creating a mix of action and comedy.

Overall, I really liked how the manga plays with the idea of strength and purpose. Saitama's struggle isn't about beating stronger enemies—it's about finding meaning when nothing challenges him anymore. That mix of humor and existential boredom gives me a more in depth idea of his character. Furthermore, I liked all the funny moments I saw while reading.

I'd recommend One-Punch Man to readers who love well written villains and fast paced, funny stories
