Other:

Spacewalking With You is about Kobayashi encountering a transfer student called Uno. One interaction with Uno outside of school causes Kobayashi to learn about Uno and how he acts in unfamiliar environments. Uno's reactions to the world reflect onto Kobayashi because he can relate to Uno.

I think people should read this manga if they want to have a relaxing read without too much action happening. This manga is for the reader that just wants to relax without complicating moments or high action points in the story.
