ADULT FICTION CHANGES

We're in the process of labeling the over 11,000 books in this section with the author's last name and genre on the spine of the book. We are also separating fiction into more genres, adding romance and horror sections to our mystery and sci-fi/fantasy sections. Thrillers will join the mystery section. We hope these changes will make everything easier to browse. For now, check in with staff if you need help finding anything!

WONDERFUL WONDERBOOKS!

Youth Services is excited to announce that we received a Tufts Community Grant to expand our Wonderbook collections for kids and teens. Wonderbooks are books that have a speaker built into the inside front cover, so you can listen along to the audiobook as you read. They're an amazing way to make the Library's collections more accessible to youth with visual impairments and/or learning disabilities and English language learners. They're also just plain fun! Thanks to this generous grant from Tufts, we were able to add an additional 73 Wonderbooks to our collection, which are now available for checkout.

COMINGS AND GOINGS

Ashley K and Maddie T have moved from Youth Services to Adult Services. Joshua A.P. and Gabriela S. have joined our Youth Services team. Welcome, Joshua and Gabriela! Jennifer K. and Ariel have left us for new exciting opportunities.
